The Content and outline of the lecture: **Opportunity “The Power Within”**

In this 2 day seminar Trung Minh Luong will conduct a deep comprehensive sharing about OPPORTUNITY “The Power Within” as well as discuss the Practical Application of Human and Universal Energy® based on the teachings and experiences from traveling around the worlds and his perspective gained from people from all walks of life who had gained from the seminar in different fields to improve their lives and the lives of others.

With focus on using Positive Mindset, embrace the Opportunity and living life with a calm mind, many people had developed a stronger balance of personal and economic well-being at home, work places and the surrounding environment. Practicing Human and Universal Energy® Method allows one to enhance their concentration, improve their communication skills and to become aware of their latent abilities. With this philosophy, one can utilize their full potential and continue to bring material and spiritual prosperity.

With more than two decades of experience in the Practical application of HUE Method and numerous opportunities, contributing and sharing many aspects of lives as an educator, administrator, motivator, trainer, and practitioner of HUE Method, traveling to over 40 countries spanning over 4 different continents, and with his educational background in social work (MSW), Trung Minh Luong invites you to attend this seminar to better understanding how to effectively apply Human and Universal Energy® and how Opportunity “The Power Within” will make a difference in your everyday life.
